Extension Homesteading and YOU Grind, Season, Cure: A Homemade Sausage Experience

LAB FEE:
FREE

WORKSHOP:

TUESDAY, OCTOBER 27, 2026

5:30 P.M. - 8:00 P.M.

AT

**VALENCIA COUNTY CES OFFICE
404 COURTHOUSE ROAD
LOS LUNAS, NM 87031**

Discover the art of making sausage at home! Join us for a hands-on Extension Homesteading and YOU experience where we will explore the process of transforming quality ingredients into flavorful homemade sausage.

Learn about grinding, seasoning, mixing, stuffing, and curing, while discovering the science behind sausage making and the importance of proper food safety and temperature control. Participants will learn practical techniques, equipment basics, and safe handling practices they can use at home.

From choosing ingredients to creating the perfect blend of seasonings, this class will take you from the grind to the finished product!
