

# VALENCIA COUNTY 4-H SCHOLARSHIP APPLICATION

All 4-H'ers, in good standing with their club and county, are eligible to apply for a County 4-H Scholarship to attend a State or District Sponsored 4-H Event. Scholarships will be awarded for the amount of the registration fee, up to \$100 per event. If more kids apply than our budget allows for, the money will be divided by the number of applicants. Applications are due at the time of registration, along with the entire amount of the registration fee. Applicants will receive the funds when they return from the event and present a two-minute report on their experience at the event. This report must be completed during the next scheduled Council Meeting or Executive Officer meeting after the event, whichever comes first. Scholarships are available for the following State and District Events; Youth-Get-Away, Senior Leadership Retreat, State 4-H Conference, District Contest, State Shooting Sports, Dog School, Home Economics School and Horse/Livestock Schools.

I \_\_\_\_\_ understand the responsibilities (stated above) of receiving this scholarship and will uphold my end of receiving the scholarship.
